

Undeniable Strength and Quality

Since 1968, Kinedyne Defend™ has stood at the forefront of the cargo control and securement industry, unwavering in its commitment to serving Military, Defense, Aerospace, and Maritime entities. With a legacy rooted in excellence, Kinedyne Defend has become synonymous with high-quality, American hand-made products designed to endure the rigorous demands of the toughest military applications.

The cornerstone of the Kinedyne Defend arsenal is its family of solutions, comprised of over 350 active NSN/NAS products. This comprehensive line includes an extensive range of cargo nets, tie-down securement straps, specialty hardware, and tailor-made applications meticulously crafted to meet the unique demands of heavy-duty securement. Every product manufactured by Kinedyne Defend adheres to military specifications, ensuring a standard of strength and reliability that exceeds expectations.
